

VOLUNTEER TO REDUCE ABUSE

Guardian Partners seeks volunteers to meet with seniors and disabled adults under Guardianship care to ensure they are safe and thriving.

Volunteer Monitors are at the heart of our mission to keep vulnerable Oregonians safe and thriving. You'll be given training and ongoing support to be successful. You'll conduct a wellness assessment of a Protected Person through interviews with their Guardian, the Protected Person, and collateral contacts. Afterwards, you'll furnish a report to the Court, identifying any evidence of abuse or neglect.

- All opportunities are being held virtually due to COVID-19.
- Typical cases requires eight to twelve hours of time.
- Highly flexible—can be scheduled on your time at your convenience.
- Operating in Clackamas, Douglas, Multnomah & Tillamook counties.
- The difference you make in a Protected Person's life can be profound!

We would love to schedule time to chat with you, your professional group, social group or faith group about our volunteer program. Let's talk!
